

Jean Richardson Workshop
June 6-7, 2022

Learning to Work & Support the Dog You Have

Fox Rest Farm is looking forward to hosting Jean Richardson, CNWI for a two day workshop on Monday and Tuesday, June 6-7, 2022 (which is after the NW2/3 trial she is Certifying Official for in Huntington, IN June 4-5). **Originally, we scheduled Jean for a one day shortened version of this seminar,** but there was so much interest, the working teams voted to expand it for the complete seminar! Many of us have been fortunate to work dogs or audit Jean at Nose Work Camps in Pennsylvania and Georgia. Her observations and recommendations are very helpful and she presents them with a good amount of fun! She is the owner of Wells Creek Dog Training in Oregon and has been involved in dog training in various forms since 1984. She became a Certified Nose Work Instructor in 2011 and brought the sport to the central area of Oregon. She went on to become a NASCW Certifying Official, CO Training Liaison, NACSW's Trial Approval Coordinator, and currently is Director of CO Operations and a Senior Staff member. Jean and her husband currently share their home with two German Shepherds and a Labrador who are all competing at different levels of Nose Work.

The topic of this workshop is "Learning to Work and Support the Dog You Have". Anyone with new Nose Work partner, more than one Nose Work dog, or two very different search style dogs will benefit from this workshop!

We will have 8 working teams and up to 25 auditors. There will be a waitlist for working spots in the order that requests for a working spot are received (after working spots fill). It will run from 9:00 - 5:00 with lunch provided for all participants.

This workshop will be located at:

Fox Rest Farm
10701 S 400 E-92

Roanoke, IN 46783

Additional Information:
