TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Friday, July 5, 2024 at 12:00 PM ET. Entries will be awarded by random draw of all entries received between 12:00 PM July 5 and 12:00 PM ET July 7, 2024.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from 2 Nose You Is 2 Loves You/Carolyn Stanger to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2024-2025 membership year (8/2/24-7/31/25)
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
5. Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level.
Qualified entry for Elite – Dog has earned a NW3 elite title and has not yet earned an ELT-CH title.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsww.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact Carolyn Stanger, 2noseyou@gmail.com
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the handler's responsibility to notify Carolyn Stanger 2noseyou@gmail.com that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

Host is offering spaces to 1st dog FEO teams and 2nd dog FEO teams.

If space remains after all qualified entries are accommodated on July 15, 2024, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after July 29, 2024.

The trial host of an event has the right to refuse entry of any handler or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 5:00 PM ET July 12, 2024.

- For cancellation of entries after August 7, 2024 – 50% of the trial entry fee will be refunded if the host fills your space. No refund will be issued if the host doesn't fill your space. If the space is filled with a discounted or free entry, you will receive a refund dependent on the income from the replacement entry.

If you earn the title that makes you no longer eligible for the level you are entered, then you must contact the trial host to cancel your entry. You may opt to change your entry to an FEO entry in this case and will be placed on the FEO waitlist and only receive a space in the trial if the host is accepting FEO entries.

All cancellations must be emailed to Carolyn Stanger, 2noseyou@gmail.com

For cancellations that meet the above guidelines, refunds will be issued within 30 days of the request and no later than 14 days after the event date.

Entry fees shall not be refunded if a dog or handler is absent, disqualified, or excused by the NACSW official or judge.

This cancellation and refund policy applies to handlers that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

If the event cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or any other cause beyond the control of the event organizers, then the event host will make their best effort to provide partial refunds after recouping their expenses.

LOCATION DETAILS

ADA Site Specific Conditions

This event location is a University building and campus. There may be long walks from competitor parking to search areas and bathrooms. Parking and walkways are paved and there are ramps or elevator options to search areas, however, there may be some stairs to navigate when entering or leaving a search area. Handlers may be able to drive to the front entrance of the Music Center building but it is a large building so there may be long walks inside to/from search areas. The terrain is primarily level. The site is relatively level. Competitors may be required to drive to some search areas. Some search areas may require stairs, but there may be an elevator option, depending on flow. Bathrooms may require stairs and/or using the elevator. There are paved pathways, but getting to/from some search areas may require

walking on grass. Inside search areas may have linoleum floors or carpet. Outside search areas may be on grass or variable surfaces.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

Parking

Competitor parking is on the ground level of a 5 story parking garage (P3). This provides shade and a relatively cool and well ventilated parking environment. **There is a height limit of 8 ft 2 in** so if your vehicle is taller than that you need to notify Carolyn, 2noseyou@gmail.com There is a large open parking lot east of P3 (across a drive) for oversized vehicles/RVs but it is a bit farther from the building we are using for searches so the handler would need to be prepared for that and responsible for making sure they get to the staging area on time.

RV Parking

There is space for RVs (who are under the height limit of 8 Ft 2 in) to park in the handler parking area during the event day. To reserve a space, you will need to contact Carolyn Stanger 2noseyou@gmail.com after you receive confirmation that you have a space in the event. For RVs over the height limit of 8 ft 2 in, there is a large open parking area across from P3. No overnight RV parking is available.

Running Vehicles or Generators in parking

Running your vehicles or generators is allowed at this event but you will need to park in the separate open parking lot east of P3 across a drive. Please be respectful of your neighbors when running your vehicle.

Reactive Dog Parking

There is ample parking space in the parking garage so there will be reactive dog parking at this event for those who wish to park in this area, however there will not be separate potty areas or warm up boxes. If you want reactive dog parking you must contact Carolyn Stanger at 2noseyou@gmail.com upon notice of entry.

Unentered Dogs

Unentered dogs must remain in the handler's vehicle during the event day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the event grounds.

Smoking

Smoking is not allowed on this event site, including the use of e-cigarettes

Hotels

A list of area hotels is available here: [Fort Wayne Area Lodging Pet Friendly 2024.pdf](#)

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.
- Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must email Carolyn Stanger 2noseyou@gmail.com so plans can be made for the dog.

It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. Videotaping and Photography

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the event day.

Wyatt Lees of Vega Media will be taking video of the searches (available for purchase). Details will be available at check in or just prior to Competitor Briefing.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All handlers, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
